Secret Garden

Description:

We are going to have fun creating our own secret gardens. You get to decide every aspect, with a few guided prompts along the way. (So it's mostly #dowhatyouwant! Hahaha!)

Items you will need:

- Paper tile or nice quality paper to work on. Color and size are up to you!
- Pens:
 - Microns or other fine liners, in black, and other colors.
 - Gel Pens (colors, metallics, sparklies)
- Pencil (graphite – regular No.2 is great)
- Whatever you want for color:
 - Colored pencils.
 - Chalk pencils.
 - Markers
 - Metallic pens
- Tortillions or stumps (Or maybe cotton swab, to blend.)
- Just have everything you have handy for whatever may strike you, creatively.

Need to purchase supplies? Go to: <https://tangleaddicts.wordpress.com/the-store/>

**LOGIN NOTES: I do not use Zoom - I use a platform called Online Meeting - URL is GoMeet.com Here is a link about joining a meeting:

https://support.serverdata.net/app/articles/detail/a_id/15704

Please allow time, especially your first time joining. If your browser looks for an app – **just hit cancel.**

You will receive a link via email from Online Meeting about 10-15 minutes prior to the start time.

I, kindly, ask that everyone keep their webcams off, and mic's muted during the class so everyone has a great experience. At the end, we have the "big reveal" and everyone opens their webcams to show off their results - and I take a screenshot.

I usually log on 5-10 minutes early to get myself set up. Feel free to jump on early to do the same. 😊 If you get an error when logging in, try again. It could be that I haven't started the meeting yet, but sometimes, they have a weird error and trying again works..

For best results:

Make sure your device is plugged in or has a good charge.

Be close to your WiFi Source and if you can be the only person on your WiFi, that helps with bandwidth.

Exit other programs on your computer or device.

Be ready to have some creative fun!!

I will take a screenshot at the end, and will share via email and post. Post your picture on our Facebook group or email it to me. Heather@tangleaddicts.com I am adding them to a gallery on my site for all to see and share.
